CRAZY FOR CAMERON

Dear PURELY 18,

I grew up in Minnesota, which you might know from the license plates, is the land of 10,000 lakes, but getting in the water always scared me. I didn't even learn to swim until after I'd gone to college and I think that would have all been different if there'd been girls like Cameron from **Purely 18 #23** to entice me into the water.

You put a girl like that in the water near me today, you're going to hear a big splash and soon after, my head would pop out right in front of those little titties. Obviously she doesn't need an outside water source to get that bald snatch wet, but I'd do everything possible to facilitate the moistening possible, and that includes using my tongue, cock, every digit, and all the energy I have in my body

and soul. I bet the girl would be surprised what this old guy could muster up for a go with her flesh.

But that's neither here nor there. The only thing we can prove right now is that little blonde is about as sexy as an 18-year-old girl can get. If this girl keeps on getting hotter you're going to have to change the name of your magazine every year!

**Randy
St. Paul, MN**

Dear Randy,

We would love to follow Cameron through the years as she grows up, but our hearts will always truly love this 18-year-old version and it's perfect little curves, tightness and the way everything came together so perfectly. We caught her at a once-in-a-lifetime moment and we won't forget her.

SELF-FINGERING FRANZISKA

Dear PURELY 18,

The wife and I met a long time ago, and I was sure as shit younger than I am now. For my 30th birthday, that girl, bless her heart, was 19 and she gave me the greatest show I'd ever seen. It was the first time she ever touched her pussy for me, and she claimed it was the first time she'd ever touched herself at all. I'm inclined to believe her, and since it ain't polite to be calling dead folks liars, I ain't gonna do it.

What I'm slowly getting at is that watching Franziska in **Purely 18 #23** and the way she touched herself, rubbing that amazing, beefy little hole, poking her fingers in there like such a curious girl, reminds me of my former. My girl and her family had immigrated from Hun-

gary and I suspect that's where Franziska may be from, since folks in Middle America aren't looking to be putting Z's and SK's in the names of their kids. Might even be laws about that kind of thing. My attorney tells me they got laws against all sorts of things, but that's another letter.

I was hoping you might run just one more photo, something where we can take in the whole wholesomeness of this young treat, a little snack if you know what I mean. Come on, just give a guy one more photo!

**Chick
Florence, AZ**

Dear Chick,

We're here to make folks happy and since it isn't polite to call readers liars, we're not going to do it. Instead we're going to oblige you and the many other people who wrote in to support Franziska's plans to continue touching herself.

SHYLA IS SHOCKING!

Dear PURELY 18,

So many of the young girls look like girls

next door, but Shyla Jennings looks like the beautiful *slut* next door and if I knew which door, I'd be knocking on it right now. You guys don't even give us a chance! We should be able to flip through your magazine once before we blow a wad. What's next, popping

in our pants when we see your magazine on the shelf at the store?

**Brandon
Ashtabula, OH**

Dear Brandon,

Hey, no blowing loads in aisle 3! The store managers hate cleaning that stuff up and it doesn't look good for the magazine. Yep, Shyla is amazing. Stay tuned, we're hoping for lots more from this beauty.

ALL REVVED UP FOR RYLEE

Dear PURELY 18,

Sweet-titted teens, we've found your queen! This Rylee is a real bra-buster and any guy lucky enough to get inside her hidden hole is certainly in for a double surprise, with those crazy cup-stuffers.

Innocent as she looks, her ears peeking out of her hair and that smile that says, "Of course I did my homework," her body is defiantly beautiful and it's time for Rylee to grow up and put a cock in that pretty mouth. I'd offer mine up, but I'm sure there's a long line of dudes writing you and offering to bang this babe. Like she didn't have her pick of the litter before that. Hell, the girl's a knockout when her clothes are on and I'm sure it all happened so fast that she's not even sure how to find clothes to hide it. Of course, she's the girl getting naked for your magazine, so she's obviously figured the value of her nudity. While she's at it, let's get some pics of this girl bangin'! Don't stop now!

**Kelly
Boca Raton, FL**

Dear Kelly,

Don't think we're not asking her for more photos, but just imagine how often a girl like that is asked to get naked! Rylee can't walk a block without a guy making a lewd offer—we know, that's how we found her. If only it were always that easy. Rylee will do what she will do, all we can do is keep asking and wait. Until then we've contributed to filling her voice mailbox. If only we could fill that other box...

KiRa

beach bum

Young girls can be so silly sometimes. Care-free, cutie-pie **KiRa** likes skinny-dipping after school, showing off her perky little body to everyone who takes a peek. Her tight, little titties jiggle in the sun as she bops around the pool, oiling her young body down for a nice tan. Since Kira hates tan lines, she strips off her bikini bottoms too, showing off her freshly shaved snatch and her delicious pink pussy. Her tight, untapped ass is worth a gander too—a perfectly round rump that you'd just love to hump!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Aspen**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!**

Dear Diary,

My father is in the air force so we've always moved around a lot. A few months before I graduated, we moved to a less-developed country and I wasn't too happy about it. I'd taken Spanish, so it wasn't that, I was just real comfortable in the States even if we seemed to be in a different one every year.

I was pleasantly surprised that even third-world countries have cable and nice stores to shop at, and since I was 18 I could drink legally, but what I liked most was how I was instantly super-popular.

True gringos are hard to find south of the U.S. and it seemed like guys were following me around wherever I went. I never had a shortage of guys to sleep with before, but this was ridiculous! Suddenly it seemed like every guy within 50 miles wanted to teach me Spanish or for me to practice English with him, though it was always just a matter of mastering each other's native tongue, and I was orally fixated.

Since my dad was always at work and mom out doing things, I could bring home guys after school every day—a real advantage when everyone else lives with like 15 people. I worked my way around the school and then met a lot of older guys who didn't go to school (or seem to do anything else, for that matter). Some days there would be a couple guys just hanging out in front of my house, I guess to see if I came home alone and they could make it with me. Sometimes they could, but usually I'd find someone by the time I walked that far. So I'm a slut—fuck off already!

There was a tall guy with a beard, Jesus, who said he was 31 and owned a coffee farm, though he never worked and didn't seem to know anything about coffee. He was my favorite. Some of the guys had great moves, but most were just looking to get their rocks off and maybe pop a load in my clean-shaven cooch. (When news got out that I was shaved, playing hard to get was no longer an option!) Jesus paid attention to my needs and he was rewarded for it by receiving plenty of time to play with my *dulcita*.

The first time I brought him home, he got under my skirt immediately and by the time his face popped out, I'd almost forgotten what he looked like. He made me orgasm four times before he would even unzip his pants, and when I did I sure got a mouthful! He had the biggest dick I'd seen since Massachusetts and I made sure every centimeter of it got tasted by every bud on my tongue. I licked it and stroked, pulled back and marveled at it and tried like crazy to get the whole thing in my throat but never made it, instead I just ended up lubing him with gobs of my spit.

I was sure hoping he could fuck as well as he could lick pussy and I knew he was good before the head of his

cock hit my back wall. He twirled it inside me like he was signing his autograph, and instantly I was his biggest fan. I could feel the big veins rub against my pussy lips as he stroked, and despite the width of his cock—his dick was shaped like a baseball bat, fatter at the head end—I was so wet and so horny, I had no trouble taking him.

He whispered to me in Spanish as he fucked me, rubbing my tits, playing with my clit, even fingering my asshole, all with such ease that he seemed like he must be an octopus or a musician. I creamed on his cock like crazy and even squirted for the first time, totally destroying my bedroom. But the biggest mess was saved for my face because when he came, I wanted to see it up close and I jerked out his massive wad onto my face and he came in a flood of thick whiteness. My mom came home right after and I barely got him out the window and the jizz off my face before I would cut her off in the hallway. She could see how flustered I was and I told her I'd taken a nap and just had a crazy dream and needed to take a shower. She seemed to buy it, though I knew if she went into my room it would be obvious. It had the look and smell of hot sex and before I showered I went in and fingered myself to cum one last time before the air was cleared.

After that we rarely made it all the way to my room. He fucked me doggie-style on the wood floors of our living room and I squirted all the way to the kitchen, then he nailed me on the kitchen table and plopped half his load onto the floor and I forgot to clean it up and my mom couldn't figure out what it was for the life of her, touching it and sniffing it, I thought she was actually going to taste it!

I'll admit I was actually turned on by the idea, just like I was kind of disappointed that my mom couldn't even recognize

jizz anymore. I know I'll never lose my need for seed!

I told Jesus about that later and he smiled and told me I was a sick girl. "You want I should fuck your mother?" he asked and I joked that I did. "Be careful," he warned me, "in my country we do not joke about such things."

Soon I found out just how serious he was: Jesus wasn't there to meet me after school one day, so I came home with a guy from one of my classes. Mom's car was outside, so I went in, locked my door, and let my classmate come in through the window before he came inside me. We did it really quietly, I remember his grunts as he blew his load in my pussy—Latin guys are always trying to cum inside you, which I guess would explain why so many 35-year-olds are grandparents—it sounded so loud and I was worried that Mom would hear, so I rushed him out as fast as I could.

Mom's door was still shut, so I went outside and found Jesus in front of the house. I asked him if he wanted to come inside and he seemed hesitant, but then he followed me quietly down the hall—yep, the door was still shut—and I threw him on my bed. He tried to resist my cock-sucking, but I was persistent. Even before I stuck it in my mouth, I could smell that he'd been with another girl, but I didn't mind. Hell, I still have a fresh wad that was probably dripping out my pussy at that very second, so I lapped it up and then got on top and shoved his cock into my eternally moist mound.

Even though I'd just been fucked, Jesus filled me up like no other man could and I was always virgin-tight for his huge cock. I planted my feet outside his knees and pulled my pussy apart, letting his cock go all the way inside me. He screwed me hard from below and I just hovered over him, looking down in awe at his tool and it didn't go unnoticed that there was a little white stuff coming out of my pussy and dripping down his

shaft as he fucked away the memories of the previous schoolboy.

I leaned back so that he couldn't see as well and rubbed my clit until I came, and there's no doubt that my moans were echoing in more than just my head, but I couldn't control myself as he fucked me and pounded my hole so deep, I just let it all free, no longer worrying that my mom might hear and come in. I was totally under the spell of his cock and my orgasms and then I got on my hands and knees and just told him, "Fuck the shit out of my pussy, baby!" and he pounded me until he was red in the face and half of mine was pressed hard against the wall. Finally he came inside me, I could feel the warm bursts splattering the inside walls of my pussy, and we collapsed into a sweaty mess. He disappeared out the window a little while later and that was the last I ever saw of him.

It wasn't until later, when another Jesus came up in conversation and I saw the look on my mom's face when she whispered to herself, Yes, Jesus, that I put it all together. I thought she'd been in a better mood lately. I think she figured it out, too: That stuff on the kitchen floor was suddenly familiar again. Oh, Dad, if you only knew!

FOX LOVES COCKS

Sometimes fair-skinned redheads shy away from the sun, but **Cammie** doesn't shy away from anything. This outgoing surfer slut catches some rays, catches some waves, and catches a cock in her shaved box! Spoonin' and doggie-stylin' is just her style, as Cammie gets crammied in her jammy, moaning and groaning 'til her man busts his nut!

AUBREIGH LYNNE DEEP PURPLE

There's only one thing this tattooed teen with the purple top worships more than the sun, and that's dick. After a day of sunning herself in the surf, **Aubrey** removes her bikini bottoms to reveal her hard-earned tan lines and meaty, pink pussy lips. Then she straddled a giant cock to see just how much meat her cooze could consume -- and man, oh man, she sure knows how to rock a cock!

SASHA HALL POOL CHICK TAKES A POOL STICK

Covergirl cutie **Sasha Hall** makes us drool as she lays by the pool. Her young tits may be small but her bikini's even smaller, which is just fine because it's easier to take off when she's getting bent-over and fucked! She may be inexperienced but she's tight and eager, and sometimes that's good enough. Her pretty young face has the look of disgrace, but it's her perfect pussy that gets defiled by dick, breaking in this nubile nympho just right!

VERONICA RODRIGUEZ SPANISH FLY-PIE

Latin chicks love dick, and **Veronica's** no exception. Her g-string tickles her G-spot to get her hot, so she sucks some dick and plunders her pussy-hole back in her pad. After riding a stiffy, Veronica gets her ass splattered with baby-batter, which she rubs into her skin as if it were suntan lotion!

VERONIKA

A Beautiful Asshole!

Veronika's a college coed with a bad attitude. She's been described as snotty, bratty, spoiled, and shallow. She always invites guys over to help her with her homework by leading them on, only to use them for their brains and throw them out before *putting out*. Tonight her tutor came by to help her with her anatomy class, but decided the best way to teach this naughty babe a thing or two was by demonstrating first-hand. "This is your asshole and this is my cock. No need to copy my notes, Veronika—I'll give you a lesson you'll never forget!" And with that he taught her real good, plowing her bung-hole and cumming in her mouth. A-plus!

Dream

MONIKA

Good Vibrations!

When **Monika's** feeling down, she just hikes her panties down around her ankles and starts plundering her pussy with her favorite big vibrator. It always seems to perk her right up when that plastic prick slides in and out of her loins, making her fawnish thighs quiver with excitement as she reaches orgasm and starts panting heavily. The flexible young nymph knows just how to turn her frown upside-down, putting a warm smile on her face when she stuffs her vertical smile full of fuck-stick!

I Was a Teenage Slut

Story By Acme Andersson

BREE OLSON

HANNAH WEST

MADISON PARKER

JENNA MORETTI

JENNY HENDRIX

30763

STARRING: Bree Olson, Hannah West, Madison Parker, Jenna Moretti and Jenny Hendrix with Erik Everhard, Alex Gonz, Anthony Rosano, Mike Adriano and Jordan Ash **STUDIO:** Digital Sin

There are some girls out there who save their virginity by engaging exclusively in anal sex until their wedding nights or however long they can hold out. We're not saying these pretty, young things have skipped vag entries for butt sex, but there is a common spirit that girls of 18 getting cock up the ass tend to share: They are horny, slutty, adventurous, and fun.

In *I Was a Teenage Slut* we take a look at girls who aren't ashamed to say that their teen years were spent fucking multiple guys and even some girls. Their hormones were raging and they weren't going to be deniers. Here we take a gander at some girls at their finest, a couple of

them who have gone on to superstardom by using their holes to the ultimate. Bree Olson, Hannah West, Madison Parker, Jenna Moretti, and Jenny Hendrix. Yeah, a couple of those names are real familiar nowadays, but these are photos from before you knew who they were. When they were young and tight and huge cocks in the rumps was still a new experience.

Butt-romp lovers will love taking this trip down the hallways of the old school, seeing girls at their most innocent and then at their absolute filthiest. You never know what's lurking beneath that schoolgirl skirt, and it very well could be a wet pussy and an eager-to-gape ass.

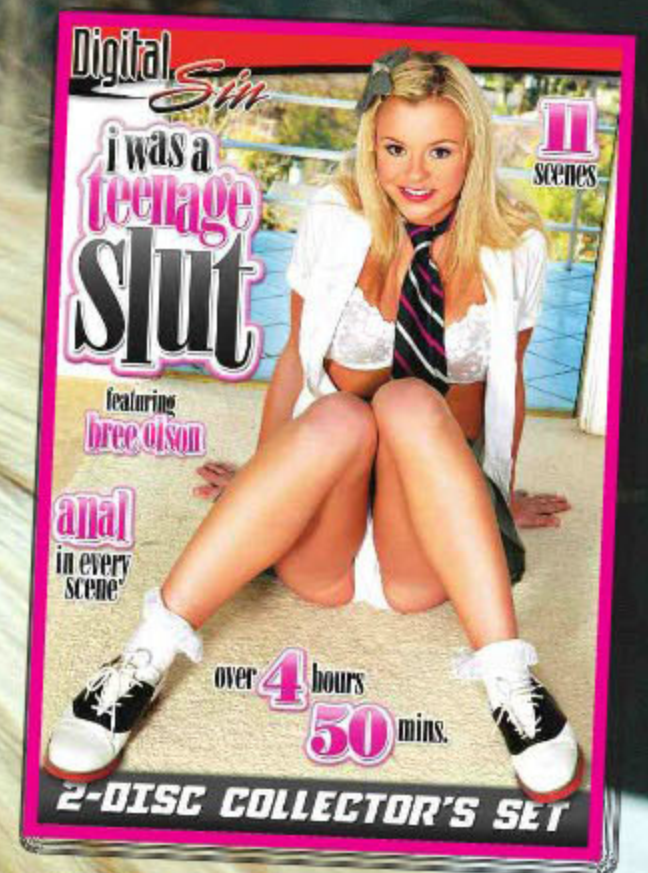

BREE OLSON

We can honestly say we knew Bree before she joined the winning team and here's a cute little flashback of the blonde babe from her early days doing it all including gaping that now-famous ass.

If you've ever wondered why Charlie went so nuts for li'l brown eyes you need only see her stuff her mouth with cock, spread her pussy open with her fingers, and then have her ass pounded by Erik Everhard to understand why she would be so popular with porn fans, whether they live in their parents' basement or in some Hollywood compound. So innocent she looks as she gazes up, her lips wrapped around Erik's dick. If she's innocent as a cocksucker, it's lost by the time he crams his pecker into her ass and her eyes seem to say it may not be the first time, but she's getting a lot more than she's used to crammed in that backdoor of hers.

Even then the puffy-pussed princess was an eager chub-hog and she rides his dick with her trademark enthusiasm, relaxing her anus to give him deep access, which we see when he pulls out and shows off her very impressive gape. Speaking of impressive, Bree was blown away by the wad he blew on her ass cheeks, leaving a puddle of white on the sweet girl with a bow in her hair who would go on to become Bree Olson, America's sweet tart.

HANNAH WEST

It'd be hard to find a girl who is a prettier picture of innocence, but the schoolgirl's mind is always open to new knowledge and it didn't take any more than Alex sliding a finger in her ass, still fresh from sitting at a desk all day, to turn her on to the joys of anal sex.

She looks as surprised as anyone that she's got a dong in her pooper, pink lips spread in awe and she keeps a hand on her pussy, the only hole down there that she really knows how to deal with. It's alright, she just lets Alex break it in and once she's comfortable having something stuck up the down hole she gets on top and rides a cock just like she's done with her pussy before, but this time she's getting something brand new, which this senior sure loves.

Soon he couldn't get her off his dick if he wanted to, she's sliding up and down, enchanted with this new adventure and before they're done she's already asking if they can do it again and again, "Do you promise that you'll come over and fuck my ass after this? I promise I'll do my homework and do real well on all my tests." There's only one test left for this schoolgirl and that's how well she can take a blast to the pretty face. She finally lets his cock out of her chute and puts her face where his cum is about to be unloaded. "Wanna spray it on my face?" she asks. "Or do you want to put it in my mouth?" He opts for both and she couldn't be happier.

MADISON PARKER

Dark-haired Madison looks like such a sweet girl with her cheerful smile, but it doesn't take much to see that behind the sparkle in her eyes, she's got a dirty streak and it goes right from her mind to her ass and every other hole she has.

She does all the sucking and vaginal fucking like any other plaid skirt-wearing girl, but the extra mile is her specialty and she is oh-so-anxious to get there. "You like to fuck my pussy, don't you?" she teases him. "If you like the feel of my puss, wait until you squeeze it into my rear!" After hearing this kind of thing a couple times Anthony finally decides to find out what's up her ass and she shows him: With him lying on the floor she spreads her ass cheeks apart and lets his cock, soaking wet with her pussy juice, slide into her dark hole. "Feels good just like I said it would," she purrs.

Anthony takes a more aggressive stance, taking her standing up, his prick never leaving her buttock and he keeps it in even as they move things to the desk and the after-school workout continues. She throws a leg over his shoulder like she were throwing her report card out the car window on the last day of school. He shoves it in and she looks at us with the sluttiest face this barely legal romper could possibly muster up. But she doesn't feel like a true whore until he pulls his dick out of her bumper and criss-crosses her butt cheeks with his never-ending load. "I think I managed to get a little extra out of you this time," she said. Yeah, just a little.

JENNA MORRETTI

Jenna was probably a nice girl way back when, but those days are long gone. Oh, she's pleasant enough, but she's not your traditional girl, not with her haircut and tattoos and piercings and hair—this girl is a dirty one, so dirty that she doesn't even bother with having Mike Adriano screw her pussy. That's so last year. She's moved on to better things, like getting dick in her asshole, and she likes it there, especially when it's a big, thick rod like Mike's. That's the kind of thing she can ride.

She starts on top, leaning back on to his cock until it is up, up, and away in her beautiful, cock-grabber of an ass. She turns around to look at him and he's as confident as he is hard and she wastes no time in riding him hard, taking advantage of a man who can keep up with her intense ways.

He takes her from behind and the veins of his cock are swollen and her pussy is, too, probably from years of hard fucking, it just hangs there kind of limply, a slight gape that seems to say, 'Hello, I'm here, but don't bother with me, the real tightness is back there.'

He puts her on her back and shoves a see-through device that allows a medical view of the inside of her ass, then returns to cocking her and doesn't stop until he covers her stomach and almost reaches her tits with his arching spurts.

JENNY HENDRIX

Jenny is the proud owner of one of the most coveted asses the industry has ever come across. Bulbous and firm and large for her size without being fat or freakish, every guy in the industry wanted to shove his cock between her padded guard rails and more than a few got the chance and Jordan Ash was high on the list of entrants.

One can see here that her pussy is still tight, probably because every guy she has ever been with has “accidentally” stuck it in the wrong hole. But everything’s right with Jenny’s back hole and she’s more than happy to share it, spreading her legs wide and riding him hard, grinding her asshole down to his balls as her pussy waits patiently (it does get some action).

When Jordan does do her from behind, you can tell he’s still ass-focused, the only time he seems to take his eyes off the prize is when she cowgirls him, disallowing his view and having him fuck her like a normal girl for a moment. It doesn’t last long—they get back to the ass and he pops and soon she’s walking away and you know he’s getting hard all over again watching that amazing ass walk away.

SASHA GREY

WHEN SHE WAS PURELY 18!

Some girls in this magazine are relative unknowns, amateurs, or just passing through porn—**Sasha** is none of the above. Her star has been on the rise for quite some time, appearing in mainstream movies like *The Girlfriend Experience*, *Smash Cut*, and the storied series *Entourage*. Despite her fame, our girl has remained grounded and loyal to her true profession, keeping it real in porn and in the pages of **Purely 18!** Here we see succulent Sasha in one of her very first layouts—when she was just days past her 18th birthday! Don't ever forget what got you here Sasha—and keep showing us that adorable smile, that squishy tushy, and that perfect pussy!

Louisa & Jessica

Tasty Cakes

When juicy **Jessica Valentino** meets up with her bitchin' BFF **Louisa Lanewood**, they usually hang out at the pool and do *laps*—as in lapping each other's pussy! These young girls don't bother going to the mall or driving around looking for guys to fuck like their friends do, because they're not like their other friends—they like eating pussy. Their tastes are more refined than other girls their age, preferring the warm cooze and frothy pussy-juice they feed one another!

Jayden

Pitching a Tent

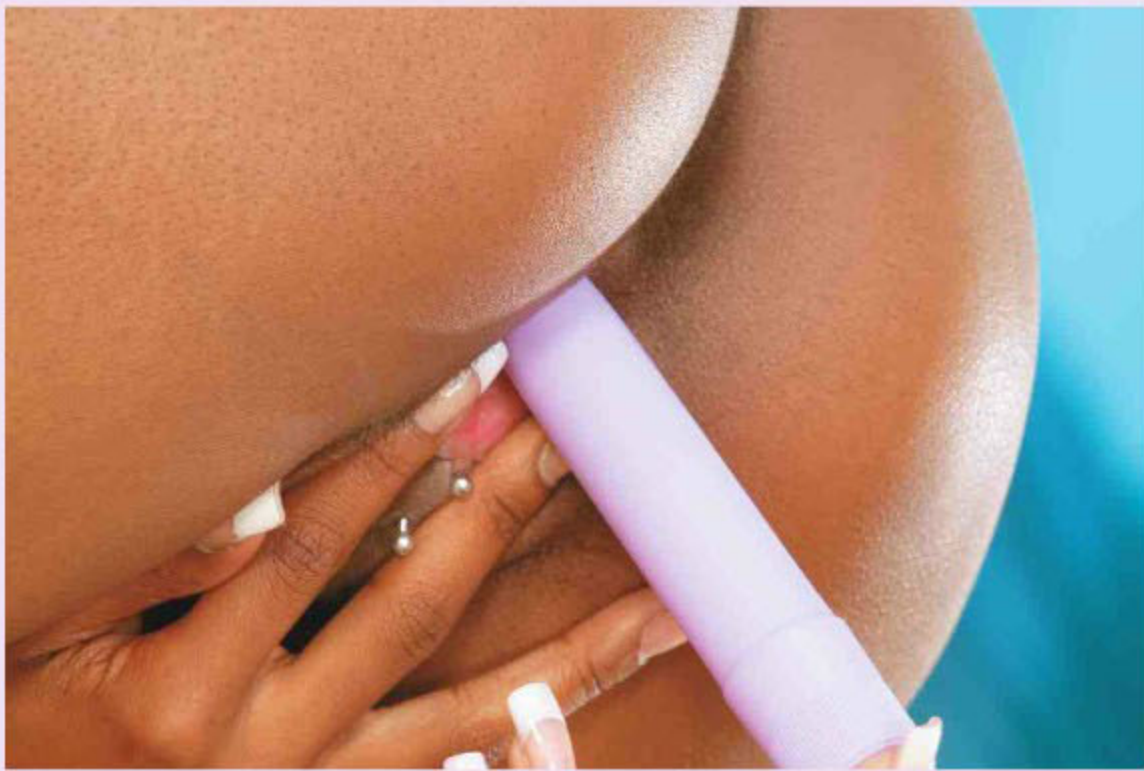

When **Jayden Simone** goes camping, she brings just the essentials: a blanket to roll around on, a dildo to fuck herself with, and as little clothing as possible. This mocha minimalist knows just how to keep things simple. "Sex is all about a pussy and a pecker. Fuck my pussy, cum in my mouth—what's so hard about that?" Well, since you put it that way, we can only think of one thing that's really hard right now...
